

FIJI HUMAN HEALTH RESEARCH ETHICS REVIEW COMMITTEE APPLICATION REQUIREMENTS

How to Make an Application for Review of a Research Proposal.

To make an application to FNHRERC the following documents are required:

- Complete FULL Proposal
- Completed FNHRERC application form
- Curriculum Vitae of the Investigator(s)
- Support letters (Where applicable)
- University Ethics Approval letters (Where applicable)
- Data collection tools
- Any other relevant documents
 - Participant Information Sheet
 - Informed Consent (where applicable)
 - Study tool, e.g. Questionnaires
 - Others
- For overseas investigators, a research permit is required from the Fiji Immigration Dept (web site) and the study has to be done in conjunction with local co – investigator(s).

The completed and full Research Protocol should be submitted online via the Fiji Health Research Portal.
